Early Graduation

Early graduation involves the completion of all high school academic requirements in less than a traditional four-year program. Any high school student who will complete the number of Carnegie units and other existing standards required by both the state and the district prior to completing eight (8) semesters of high school work may petition to graduate early.

The student must submit the early graduation request to the principal at least one (1) semester in advance of the beginning of the school year in which the student wishes to graduate.

The Board authorizes the superintendent to establish administrative procedures consistent with this policy.

A student's plan may be terminated at any time due to academic, behavioral, or attendance issues.
