Virtual Learning Agreement

The following agreement must be signed and returned to the school office of which your student is enrolled. Please note that once the agreement has been signed and accepted, returning to the school building for instruction will not be allowed until the next 9 week grading period. We will not permit students to go between virtual learning and face-to-face instruction within a 9 week grading period.

Please indicate by checking the boxes below that you understand and agree to the following:

- I am applying for my child to receive classroom instruction via online/virtual or paper-based format.
- I understand that by choosing distance learning, my student will have to remain a virtual learner until the close of the 9 week grading period.
- I am indicating that my child will have access to reliable internet.
- I understand my child is responsible for completing all classroom assignments and returning completed work on time, or their grades will be negatively affected.
- I will assure the work and all assignments are completed and returned.
- I will assure my child will log-in to the learning management software daily and complete all assignments in order to fulfill attendance requirement.
- I understand all requirements for attendance, promotion, retention, and state assessment still apply to my child if they participate in virtual learning.
